

My pet

This is a picture of my pet:

When my pet died, it made me feel

To help me remember my pet, I could

-
- Keep something like their collar
 - Make a memory box
 - Plant a tree or plant
 - Make a plaque with their name on
 - Put their photo in a frame

I think _____ (person's name) might also be feeling sad about my pet so I could talk to them about how I am feeling.

These are 3 happy times I had with my pet that are lovely memories:

- 1.
- 2.
- 3.
